

Title IX

The legislative intent of Senate Bill 1375 is to clarify Title IX requirements for public schools in California. The new law requires charter schools to post information on the school website on or before July 1, 2017 identifying the school's Title IX Coordinator, the rights of students and the responsibilities of schools, and a description of how to file a complaint. B.E.S.T. Academy Charter does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the school's non-discrimination policies:
